

Offer for Bio-fuel AIO station DODO Model

Sr. No.	Description	Amount
A	Application form +Site visit (Non Refundable)	51,000
B	Engineering Design Layout Map	80,000
C	Dealership Registration (Agreement +LOI)	15,00,000
D	Equipment (Capital Goods): BIO-ETHANOL/DIESEL	
1	Fuel dispensing unit (2nozzle each)- Two Unit	8,80,000
2	UST- Underground Storage Tank (Total 40KL) - Factory applied coating - TwoUnit(20kl each)	9,00,000
3	ATG(Console +Probes)	4,50,000
E	Equipment (Capital Goods) : BIO-CNG	
1	Decanting Setup - Mobile Cascade Unloading Facility	2,95,000
2	Hydraulic Booster Compressor Unit - 22KW/500SCMH (Complete with filtration part, cooling setup, PLC & CO2 flooding system, mass flow meter, priority panel, gas detector, flame detector)	39,20,000
3	CBG Fueling system - Automatic Dual arm bank dispenser (2Unit)	38,40,000
G	Fire & Safety equipment and Systems to meet requirements as laid by statutory Authorities	
	Stationery Storage (Stationery Cascade - 4500 KG)	1,75,820
		37,30,000
H	UPS setup (Including Stabilizers & CVT)	1,50,000
I	Branding (Full canopy & Totem/monolith boards with logo)	24,21,600
J	EPCM Charges (Detailed engineering/Electric works/Instrument cabling & tubing/Pipeline fitting/Installation/Erection & Commissioning) - Including Emergency Switch & necessary safety interlock	31,60,000
K	Service Charges (BEPL assurance consultancy)	2,36,000
Overall TOTAL		2,17,89,420

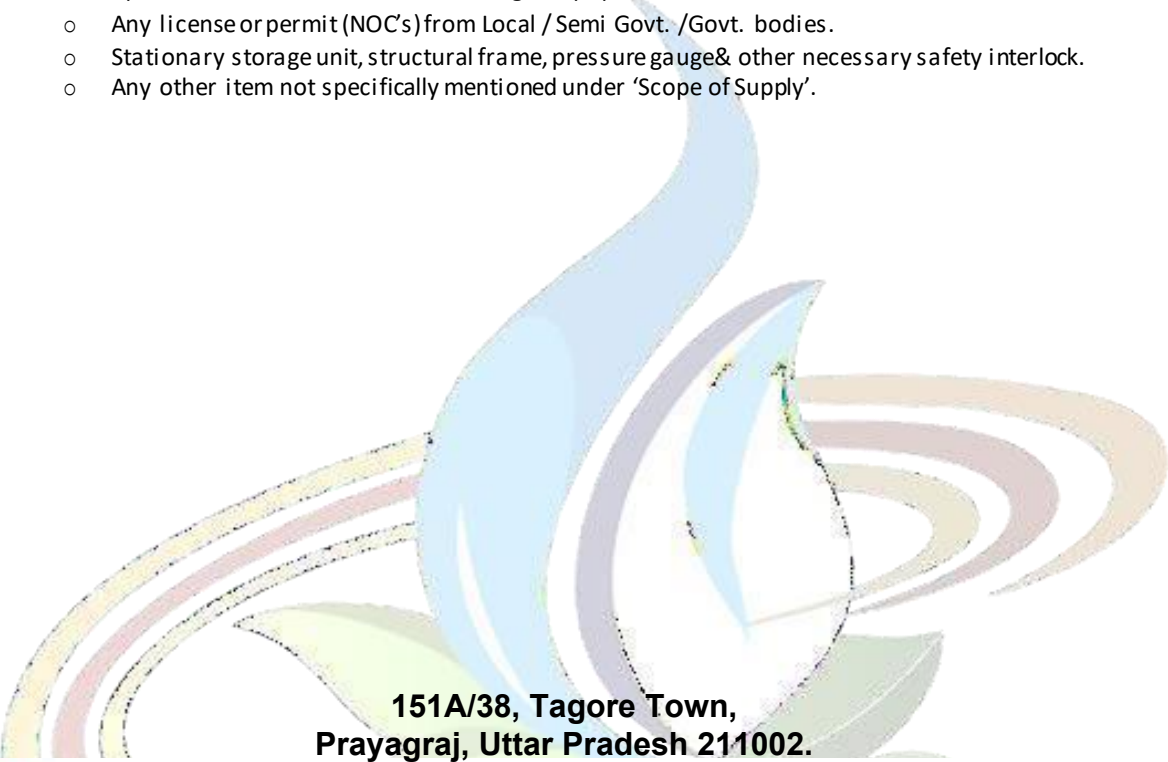

*All prices are Exclusive of GST

*Terms and conditions
